FOR IMMEDIATE RELEASE

Become a Fan!

Jackson-Evers International Airport/Hawkins Field Launches its [Fan Page](#) on Facebook

The Jackson Municipal Airport Authority invites you to become a Fan of our newly launched [Facebook Fan Page](#). JMAA's goal is to ensure current and prospective customers and partners are aware of our [culture](#) (great people working at a great place), outstanding customer service and our continued commitment to be a catalyst for community and economic development

Facebook will allow us to enhance relationships with our customers, airline partners, business vendors, suppliers, and professional service providers. Dirk B. Vanderleest, JMAA's Chief Executive Officer has established a goal for the Airport Authority - support the community we serve. He states, "JMAA's approach to social networking is quite simple; we want to engage our community by sharing information not only on what we offer at Jackson-Evers International Airport and Hawkins Field, but also on JMAA's company culture. We want people to have a reason to become our Fans."
