JMAA encourages the development of its team members and has an education reimbursement program too. If you have the skills to successfully fill one of our open positions, we would love to speak with you!

**JMAA** is currently looking for qualified candidates to fill the role of **Airport Security Manager**.

### **What traits do we seek? Successful candidates will...**

- Demonstrate excellent leadership skills for the administrative and operational airside and landside staff and processes
- Shine at providing excellent customer service, a high level of concern for public safety, communicating effectively, building relationships, and resolving conflicts while demonstrating high ethical standards
- Display strong initiative while being attentive to details and compliance focused
- Bachelor's Degree in aviation management, business management, criminal justice, public administration, or a related field is required.
- Five years of management experience with an airport, airline, or military aviation command with the direct responsibility of managing several direct reports is required
- Must be able to obtain and retain a TSA approved Airport Security Coordinator (ASC) Certification.
- Have a valid driver's license with a class B endorsement and ability to receive authorization to drive in secured areas.

### **What Do You Get to Do? You will...**

- Prepares and maintains the Airport Security Plan (ASP) and associated amendments, and supporting documentation in compliance with 49 CFR FAR Part 1542 for JAN; prepares and maintains similar functional program documents for HKS; and maintains all other relevant required or recommended documentation as requested or required by the TSA or MDOT as they apply to the JAN and HKS accordingly.
- Develops policies and procedures to support organization and department goals and objectives; and implements operational procedures, training plans, reinforcement programs, and associated materials for JMAA staff, tenants, and other airport users to remain in compliance with TSA, MDOT, and JMAA regulations, and standards.
- Manages programs for enforcement of all rules, regulations, laws and ordinances within the airport authority's jurisdiction, coordinates compliance activities with JMAA staff, federal agencies with a role in aviation security, airlines, concessionaires, other terminal and airfield tenants, community and business organizations, aviation trade associations and other organizations impacted by JMAA security policy and procedures.
- Serves as the primary point of contact with the TSA and other agencies tasked with aviation security matters; specifically serves as the Airport Security Coordinator (ASC) as defined by TSA regulation.
- In coordination with the JMAA Department of Public Safety and Operations Director and Chief of Police, ensures the provision of law enforcement support to the Transportation Security Administration as required by regulation and circumstances.
- Serves as liaison with external law enforcement and security agencies responsible for intelligence, security, and special operations impacting airport security.

- Coordinates security operations functions with other departments, tenants, contractors, and outside agencies as necessary to ensure safety and limit operational interruptions.
- Prepares and maintains information on airport facilities, services, equipment, and other technical support documents related to airport security operations for JAN and HKS.
- Identifies, procures, and maintains, equipment and facilities necessary to support the security programs for JAN and HKS; with a specific responsibility for automated access control, surveillance, and recording equipment used to support the ASP.
- Serves within the Unified Incident Command structure during aviation emergencies, up to and including serving as the Incident Commander as appropriate or directed by a senior member of staff.
- Supports Irregular Operations (IROPS) events to include assisting with the routine review and correction to JMAA's IROPS plan and supporting documentation to ensure sufficiency and accuracy of information; regular coordination with airport staff, tenants, users, appropriate FAA offices and in support of JMAA's Aviation Operations Manager.
- Manages the implementation of the JMAA Ground Transportation Rules, including all security and operational requirements addressed required to be addressed in the program.
- Manages the activities and functions of the Airport Identification (badging) Office including all products and services provided to internal and external customers.
- Manages the implementation of Departmental staff assignments and special operations event assignments.
- Ensures the retention and management of records in electronic and or written formats to support aviation security activities.
- Manages staff hiring, training, and development.
- Performs other services as assigned.
