APPLICANT: _____
(Full Legal Name of Business)

PURPOSE: Taxi Courtesy Delivery Service
 Other (describe) _____

In consideration of the administrative processing of this Application and the issuance of a Ground Transportation Permit ("Permit") by the Jackson Municipal Airport Authority ("JMAA") to allow Applicant to provide General Transportation Services at the Jackson-Medgar Wiley Evers International Airport (JAN) and Hawkins Field (HKS) in accordance with the Ground Transportation Rules and Regulations for JAN and HKS adopted by JMAA on _____, ____, as the same may be amended or supplemented from time-to-time (the "Rules"), the Applicant agrees to the following throughout the term of the Permit, beginning _____ and ending, unless terminated sooner, September 30, ____.

1. This Permit and the Permittee's operations at JAN and HKS shall be subject to the Rules. Applicant, by executing this Application, specifically acknowledges that it/he/she received a copy of the Rules, understands the Rules and agrees to observe and comply with the Rules, as the same may be amended, modified or supplemented from time-to-time.
2. This Application shall only constitute a Permit to provide Ground Transportation Services at JAN and HKS upon payment of all applicable fees, receipt by JMAA of all required information and documents and counter-execution by JMAA.

3. It is understood and agreed that the Permit can be renewed each October 1, for a one (1) year term ending upon the succeeding September 30, upon payment of the applicable Annual Permit Fee (as the same may be changed from time-to-time by JMAA) by the Permittee on or before September 15 of each year. Either party may terminate the Permit by notice mailed to the other party at its regular business address not less than sixty (60) days before the expiration of the initial term or any renewal term of the Permit. Furthermore, JMAA may terminate the Permit at any time for breach of any of the terms of the Permit, or for failure of the Applicant to comply with any provision of the Rules or any other applicable federal, state or local laws, ordinances, rules or regulations.
4. Applicant acknowledges that it/he/she is an independent contractor operating at JAN or HKS and that neither the issuance of a Permit nor the regulation of the Applicant's operations at JAN or HKS by JMAA shall create the relationship of partners or principal and agent. Applicant agrees to indemnify, defend and hold harmless JMAA from any and all losses, claims, costs, suits, expenses or liabilities whatsoever (including attorneys' fees and costs of investigation and defense thereof) arising out of the operations of Applicant.
5. Applicant has paid a non-refundable, first year Permit Fee in the amount of One Hundred Dollars and no cents Dollars (\$100.00) with the submission of this Application.
6. Applicant agrees that the Permit issued pursuant to this Application is only for the operations listed at the top of Page One (1) of this Document in the row labeled "PURPOSE" and as further defined and limited in the Rules. Applicant agrees that any operations other than those provided herein are expressly prohibited at JAN and HKS. Applicant agrees to operate only in the areas designated by JMAA, and Applicant agrees that the designated areas may be changed from time-to-time and at any time by JMAA. Applicant also acknowledges and agrees that the issuance of a Permit does not constitute a lease of any property, real or personal, from JMAA to Applicant.

7. Applicant acknowledges that it/he/she must secure a Vehicle License for each vehicle to be operated at JAN or HKS in the performance of Ground Transportation Services. No vehicle may be operated at JAN and HKS in the performance of Ground Transportation Services without a current Vehicle License.
8. In the event of non-payment of the Annual Permit Fee or any other fees or charges due JMAA (**except and not including Vehicle License Fees** for which JMAA shall be under no obligation to provide notice to Applicant prior to revocation for non-payment), JMAA shall notify Applicant of non-payment by certified mail to Applicant at the address shown in Paragraph 13(c). Applicant shall have ten (10) calendar days from the date said notice was mailed to tender the Annual Permit Fee and/or any past due amounts to JMAA. In the event the Applicant does not tender all past due amounts to JMAA within the time provided, the Permit shall be suspended and Applicant shall not operate at JAN or HKS. If any amount remains due more than thirty (30) days after the mailing of notice by JMAA, the Permit shall automatically terminate, and Applicant shall not provide any Ground Transportation Services at JAN or HKS until it has submitted a new Application, the appropriate Permit Fee, a late processing fee of \$15.00 and all other information required by the Rules or Application and JMAA has issued a Permit.
9. It is understood and agreed that Applicant shall observe and comply with all laws, ordinances, rules, regulations and minimum standards of the United States, the State of Mississippi, the Counties of Rankin and Hinds, the City of Jackson, JMAA and any and all other agencies, bureaus or departments thereof which may be applicable to the operations, management, maintenance or administration of JAN and HKS now in effect or hereafter promulgated; and further, Applicant will display to JMAA any and all permits, licenses or other evidences of compliance with all laws upon request by JMAA.

10. Applicant will maintain automobile, contractual and general liability insurance in the amounts required by the Rules. Written proof of insurance in the form of an original Certificate of Insurance must be submitted with this Application. Each policy of insurance required hereunder shall name JMAA as an additional insured and shall provide that termination, cancellation or modification of any policy of insurance shall be conditioned upon not less than thirty (30) days prior written notice to JMAA. In no event shall Applicant provide any Ground Transportation Services at JAN or HKS without having the insurance required under the Rules and this Application.
11. Applicant understands and agrees that JMAA may change or amend the insurance requirements in the Rules to reflect new minimum insurance standards for Applicant and other similar businesses operating at JAN and HKS. The Applicant shall provide evidence of the changed or amended insurance requirements not less than sixty (60) days after the date such amendment is adopted. Failure of Applicant to comply with the insurance requirements herein shall constitute grounds for immediate suspension or revocation of the Permit.
