3. Resolution, JMAA: Authorizing the Sale and Issuance of Refunding Bonds

Attorney John May approached the podium and addressed the Board concerning the authorization request to sell and issue refunding bonds. Attorney May introduced Co-Bond Counsel, Attorney Joyce Hall, Watkins & Eager PLLC. Attorney Hall thanked the Board for the opportunity to serve as co-bond counsel for the refunding project. She requested the Commissioners to ask any questions they may have concerning the project.

Next, Attorney May announced that because of the timing as to the maturity dates of the refunded bonds and the refunding bonds, the Bond Issuance could not be completed without securing a Mississippi State Treasurer’s Office Certification. He stated that Watkins & Eager made preliminary contact with the Mississippi State Treasurer’s Office concerning the Certification. Based on that contact, Attorney May stated that the Treasurer’s Office probably will certify the Bond Refunding Project after JMAA’s Board of Commissioners passes a resolution authorizing the sale and issuance of the bonds. He also identified the revisions made to the bond documents because of being required to secure the Treasurer’s Office Certification.

Attorney May added that there will be an additional minor change to the Fifth Supplemental Indenture to allow JMAA one hundred and eight (180) days to make certain financial disclosures instead of the current requirement of making them in one hundred and twenty (120) days.

In response to Chairman’s Reed question, Attorney May informed the Board that none of the revisions discussed during his presentation affect the amount of savings for JMAA previously represented to the Board.

Then, in response to Chairman Dr. Johnson’s question, Attorney Regina May informed the Board that bond counsel anticipates being able to proceed as then scheduled concerning presenting the Bond Documents to the City of Jackson, MS.
