V. REPORTS
A. **Report from the Chairman**

Chairman Dr. Pridgen presented the Chairman’s report on her travel to the Farnborough Air Show in Hampshire, England from July 11 to July 14, 2016.

Chairman Dr. Pridgen announced the purpose of the Air Show and provided four benefits of her attending. They are as follows:

1. Provided the opportunity to experience “first-hand” how the Worldwide Farnborough Air Show could be a useful tool to JMAA’s economic development;

2. Demonstrated the willingness of JMAA to be pro-active and act to be recognized and touted as a chief economic driver in our state.

3. Tangible act that JMAA is a respected, viable business partner and expects to be included in local, state, national, and international decisions regarding projects and programs that impacts any form of transportation needs – direct or indirect.

4. Additional benefits will continue to be realized over time. However, the Chairman was interviewed by the editor of the IHS Jane’s Airport Review that will publish sometime in the near future.

Dr. Pridgen then thanked the Mississippi Development Authority (“MDA”) Staff Members for their assistance with admission and access, and the Jackson Metro Chamber of Commerce Staff Members for their assistance with travel accommodations.

She recommended that JMAA write a letter to MDA requesting that JMAA be included in the following:

1. Future development of the Air Show’s planning, meetings, and all other privileges associated with being a participating partner; and

2. Appropriate meetings, with the meeting dates and times to be tentatively confirmed, prior to arrival at the Air Show, and the vetting of meetings, approaches and presentations, done prior to travel.

She further recommended that JMAA identify and structure ongoing conversations between JMAA’s MDA representative and JMAA’s CEO, throughout the year, to help ensure that recommendations 1 and 2 above occur.

Chairman Dr. Pridgen’s complete report is attached as an exhibit to the July 25, 2016 Board Meeting Minutes.

B. **Chief Executive Officer**
Mr. Perry Miller, JMAA’s Chief Operating Officer, presented the report of Mr. Carl D. Newman, CEO, in his absence.

**Hawkins Field Airport Administrative Staff Update**

Mr. Miller informed the Board that Staff conducted a preliminary analysis and concluded that there is not enough traffic at the Hawkins Field Airport to warrant the employment of any administrative support staff at Hawkins Field. He reminded the Board that a Supervisor will be in place to assist with the management of Hawkins Field. Further, Mr. Miller announced that phone calls to Hawkins Field, not answered at Hawkins Field, will be answered at Jackson-Medgar Wiley Evers International Airport. The support staff at JAN will forward those calls to appropriate persons. Further, the receptionist at JAN, who answers the phone calls transferred from Hawkins Field, will answer the Hawkins’ calls in a manner that informs the caller that he/she called Hawkins Field.
