Commissioner Pastor Henley suggested that the Board consider having the vote on the travel policy before voting on travel requests as the travel requests resolutions may not be required in accordance with the new travel policy. The Board then announced that a vote on the Commissioners’ Travel Policy would be held before a vote on the travel requests.

Commissioner Dr. Pridgen added that within Section 5 of the Amended Policy the terms “approve” or “approved” should be replaced with “pre-approve” and “pre-approved” as to ensure all Commissioners understand that pre-approval is required for reimbursement of expenses for travel which is not specifically authorized by the Travel Policy.
