Commissioner Pastor Henley informed the Board that he did not receive a copy of the complete and final Comprehensive Classification and Compensation Study as requested at the March 24, 2107 Work Session. Vice Chairman Dr. Johnson stated that she is comfortable with approving the Study after her review of the Summary of the Study provided to each Commissioner. However, Vice Chairman Dr. Johnson expressed concern about approving at the March 27, 2017 Meeting the implementation of the second and third phases.

Mr. Newman, CEO, suggested that the Board consider voting upon implementation of the first phase, as it is stated in the Memorandum, and revisit the second and third phases in the future.

Next, Commissioner Hartley amended his previous motion to accept and adopt the Comprehensive Classification and Compensation Study and only implement the First Phase of the Study findings as set forth in the Board Memorandum, dated March 16, 2017, at pages 66-67 in the Packet, and Vice Chairman Dr. Johnson, seconded the amended motion.

Commissioner Pastor Henley restated his previous position as to the Board not receiving a complete and final Study, which details the specific persons and positions receiving salary increases. Therefore, he stated that he would not approve the Study or any implementation of it until he receives a complete and final Study and information about the persons and positions to receive salary increases.

Staff, in response, informed the Board that the document identifying the salary increases and the persons receiving them included in the Study was available. Attorney Walker recommended that discussion of the salaries of the incumbent employees take place in the Executive Session.

The Board had a further discussion concerning the Study and agreed to discuss the specifics of the salaries and positions of incumbent employees included in the first phase during an Executive Session towards the end of the Agenda.

Upon motion by Commissioner Hartley to table his above stated amended motion as to the Compensation and Classification Study, seconded by Commissioner Pastor Henley, the motion to table was approved by unanimous vote.

Commissioner Hartley moved, and Vice Chairman Dr. Johnson seconded the motion, that the Board approve a lease agreement with Maples Harris, PLLC regarding 1,118 square feet of space located in the Hawkins Field Airport Terminal Building.

Commissioner Pastor Henley informed the Board that in the Board Memorandum, at pages 68-69 of the Packet, it is stated that Maples Harris, PLLC requested to lease the space to use for aviation law and consulting purposes. He stated that during the firm’s presentation at the March 24, 2017 Rescheduled Work Session, F. Gerald Maples, Esq., a principal in Maples Harris, informed the Board that the firm does not practice aviation law.
The Commissioners held a further discussion as to the discrepancy as to the use of the space at Hawkins Field Airport by Maples Harris, PLLC.

Mr. Newman then announced that the Staff will withdraw the request for authorization to execute a lease agreement at this time.

Commissioner Hartley then withdrew his motion as stated above and Vice Chairman Dr. Johnson withdrew her second of the motion.
