1. April 2017 Claims Docket Claim No. 93514: Approval

Commissioner Hartley announced that he is not in support of providing full payment for membership in the Greater Jackson Alliance (“Alliance”) as JMAA is not getting the full benefit of the membership. He added, however, that JMAA needs to continue to participate in the partnership. He stated that participation in the partnership is vital for JMAA to continue to be informed about the status of economic development in the Central Mississippi area and the State of Mississippi.

Chairman Reed then suggested that the Board consider reducing the payment to Alliance to half of the amounts previously paid, which is $15,000.00. She added that the partnership between JMAA and the Alliance is broken. Accordingly, she believes the reduced payment possibly will be an incentive for the Alliance to become a better partner with JMAA.

Mr. Newman, CEO, informed the Board that based on his understandings of the discussions during the April 2017 Board Meeting, he informed the Alliance that JMAA will pay $20,000.00 membership dues. He assured the Board that the Alliance understood the reason for JMAA’s decision to reduce the membership fees paid by it.

Mr. Newman then added that there are no relationships more important than JMAA’s relationship with the Greater Jackson Chamber and the Alliance in terms of achieving some of JMAA’s goals. He explained several reasons related to economic development and air service concerning the importance of the relationships.

Commissioner Pastor Henley explained that the Greater Jackson Chamber understands that JAN and Hawkins Field are economic drivers for this community and any project that the Chamber is seeking to bring to this area relies on the airports to be a part of the project regardless of what amount JMAA pays the Chamber. He stated his position as to the amount of membership dues that JMAA should pay is zero $0.00; however, he understands Mr. Newman’s position as to his representation to the Chamber. Therefore, he has no problem paying the $20,000.00 amount for membership dues.

Vice Chairman Dr. Johnson recommended that the Board pay $20,000.00 for dues. Further, she stated that the Board received information that explained how the Alliance operates. Accordingly, she said that it is prudent for JMAA to remain a partner to see what benefits JMAA will receive from the partnership.

The Board held further discussion concerning the payment of Claim No. 93514. Afterward,
the Board proceeded to consider and vote on the motion made to pay $20,000.00 for dues.

RESOLUTION CY-2017-68

RESOLUTION APPROVING PAYMENT OF CLAIM NO. 93514 ON THE CLAIMS DOCKET FOR THE MONTH AND PERIOD ENDING APRIL 30, 2017 TO GREATERJXN CENTAL MISSISSIPPI GROWTH FOUNDATION

Upon motion by Commissioner Pastor Henley, seconded by Commissioner Hartley, the following RESOLUTION was made and approved by a unanimous vote of Commissioners present.

WHEREAS, the Board of Commissioners (the "Board") of the Jackson Municipal Airport Authority (the "Authority") has reviewed and considered the payment to the GREATERJXN Central Mississippi Growth Foundation. claim No. 93514 on the Authority’s original Claims Docket (“Claims”), for the month and period ending April 30, 2017, which was included in the Packet, at page 40, and distributed to the Board prior to the May 22, 2017 Monthly Meeting of the Board.

IT IS, THEREFORE, RESOLVED that the Board hereby authorizes payment of Claim No. 93514 in the amount of $20,000.00 to the GREATERJXN Central Mississippi Growth Foundation appearing on the Claims Docket for the month and period ending, April 30, 2017.

The Board had further discussion about the relationship with the Greater Jackson Alliance (“Alliance”) and the Mississippi Development Authority (“MDA”). During the discussion it was brought out that JMAA could register for the upcoming Farnborough Air Show even though JMAA would not be a part of the MDA group attending that event; that it is important for JMAA to have a presence at all economic development events such as the upcoming Farnborough Air Show; that JMAA’s Board of Commissioners and Staff have greater expertise about JMAA than MDA; that it is too late to register, etc. for the upcoming Air Show this year; that JMAA should begin making plans for attending the Air Show that will be held in 2018; and that JMAA give notice to the Alliance and MDA that JMAA wants to receive notice of all upcoming economic development events so JMAA can actively participate in those events.

Regarding the upcoming Air Show, Mr. Newman explained that the Alliance voted to not participate in the event this year. Further that MDA is the only Mississippi entity participating in the Air Show and it is participating in its capacity as the state agency responsible for economic development.

Additionally, Mr. Newman brought to the attention of the Board that JMAA meets on a
quarterly basis with MDA. He added that during a recent meeting MDA discussed with JMAA various actions JMAA needs to take to enhance its marketing efforts. Based on recent activities of MDA and the Alliance, he stated that he anticipates some positive developments for JMAA in the near future.
