VIII. ADJOURNMENT

Thereafter, it was moved by Vice-Chairman Martin, seconded by Commissioner LTC(R) Wright, that the Meeting of the Board be adjourned. The Board then held the following discussion:

Commissioner LTC(R) Wright commented that the current team worked well together and accomplished quite a bit. Thus, he was glad that the nominations went as they did. However, to continue what is going on, individuals not in the leadership roles must continue to contribute also. In that regard, Commissioner Pastor Henley, with his background, has identified and raised many issues to keep JMAA on the straight and narrow. As for himself, he likes being on the ground, mixing it up as opposed to being in leadership. Accordingly, he is very comfortable with the current make-up of the Board and its current direction.

Next, Vice-Chairman Martin expressed to Commissioner Wright that he appreciated his comments. He stated that he wanted to thank all Commissioners for taking him under their wings when he
arrived and forcing him to dig in and get involved. He expressed his appreciation for the stretch, as stretching is always good. He addressed Madame Chairman and thanked her for developing a strong friendship on top of the professional relationship. He stated that she was kind to him and took the time to explain things when he did not understand. He added that we should always look at the horizon, and the wind is at JMAA's back. He believes that part of the reason JMAA occupies its current position as a formidable force in Mississippi is because of Chairman Harris' efforts. He thanked her for her service, tenacity, personal time, and personal sacrifice. Lastly, he stated to Chairman Harris, "It is well appreciated, and I know you don't get it enough, but thank you from the bottom of my heart, and now we got some more horizons to cross. Thank you very much!"

The Board then resolved by a unanimous vote of the Commissioners present that the Board Meeting be ADJOURNED at 5:22 p.m.

Respectfully submitted,
