A copy of the Notice of the Special Meeting is attached as Exhibit A. Chair Harris further stated that the goal of the meeting was to discuss the growth and enhancement of air service at JMWEIA “Our Airport.” Chair Harris noted that the presence of everyone in attendance is invaluable to JMAA since the success of air service development depends upon the involvement of everyone in attendance.

Chair Harris introduced all of the special guests listed above as well as Mr. Gene Moore, JMAA Director of Marketing and Communication as the Master of Ceremonies for the balance of the Agenda.

IV. PRESENTATIONS

Mr. Moore, introduced Mr. Michael Boyd of the Boyd Group International to explain the permissible incentives that airport sponsors can offer to attract new air carrier service at federally obligated facilities.

A. AIR SERVICE DEVELOPMENT

Mr. Michael Boyd discussed the various permissible incentives an airport can offer to increase air service which are discussed in detail in a brochure entitled AIR CARRIER INCENTIVE PROGRAM GUIDE BOOK: A REFERENCE FOR AIRPORT SPONSERS, published by the Federal Aviation Administration. A copy of this publication is attached as Exhibit B to the minutes of the meeting.

Mr. Moore introduced Marlena Pickering, Esquire, who spoke on behalf of the Mississippi Airports Association concerning the following topics:

B. MISSISSIPPI AIR SERVICE DEVELOPMENT PROGRAM ACT

Ms. Pickering stated that while the Mississippi Air Service Development Program Act was passed during the 2014 Mississippi Legislative Session, no funds were allocated to fund this program. As such, hopefully this program is funded during the 2015 Legislative Session. A copy of the Act is attached as Exhibit C to the minutes of the meeting.
Senator Horhn, Mayor Yarber and other persons in attendance expressed concerns that JMAA is not able to receive a grant amount greater than the amounts received by Gulfport-Biloxi and Golden Triangle Airports pursuant to the terms of the current Act. Senator Horhn stated that JMAA should receive a greater amount than any other Mississippi Airport because it is the airport for the Capitol City and is the largest airport in Mississippi.

C. ALLEGIANT TRAVEL COMPANY

1. ALLEGIANT'S BUSINESS PLAN AND HISTORY OF SERVICE

Mr. Moore explained that Allegiant Travel Company sells travel packages to various popular destinations around the country, one of which is Orlando, Florida.

2. PROPOSED SERVICE AT JACKSON-MEDGAR WILEY EVERS INTERNATIONAL AIRPORT

Mr. Moore stated that Allegiant and JMAA recently had discussions about Allegiant providing Air Travel Service between Jackson, Mississippi and Orlando Florida. The proposal discussed provides for at least two (2) round trip flights each week between Jackson, MS and Orlando, FL. Mr. Moore presented a PowerPoint presentation outlining the proposed air service discussed by JMAA and Allegiant. A copy of the PowerPoint presentation is attached as Exhibit D to the minutes of the meeting.

Mr. Moore asked Mr. Michael Boyd to return to the podium and give a presentation regarding enhancements to incumbent air carrier services.

D. ENHANCEMENTS TO INCUMBENT AIR CARRIER SERVICES AND OTHER VIABLE OPPORTUNITIES AVAILABLE TO JMAA

Mr. Boyd presented a PowerPoint presentation entitled “The Strategic Future.” A copy of this power of point presentation is attached as Exhibit E to the minutes of the meeting.

The following are some of the most salient points that Mr. Boyd made during his presentation:

- Airports should be thought of as factories
- Airlines are not growing because there are fewer seats and fewer flights
- The trend for Jackson is larger planes
• Airlines are not concerned about volumes; instead they just want to maximize the bottom line

• The key for Jackson is getting people into Jackson and Jackson has that capacity through three (3) global airlines: American; Delta and United

• Southwest did not leave Jackson because Jackson was a problem; it left because of economics and higher fuel cost

• Mr. Boyd suggested that JMAA install in the JMWEIA terminal signage in Japanese and Chinese to give the Airport an international atmosphere.

- JMAA should make efforts to have all surrounding counties and delegations to assist in a joint effort to present funding requests for JMAA to the legislation as the Airport serves all of them.

- JMAA should attend the Greater Jackson Alliance Tuesday meetings to present its request.
